COMPANY PROFILE

- Founded by visionary engineer Kevin Wu, LECOVITA combines electronic and mechanical expertise with lifelong dedication to audio excellence.
- Wu's mechanical engineering background and 19-year industry experience in R&D, global trade, and leadership culminated in the establishment of LECOVITA in 2018.
- The brand name fuses the Chinese "Leke" (happiness) with the Italian "Vita" (life), reflecting its mission to enrich lives through music.
